Declaration of Authorship

I, Junjie LIU
Daichen YAO
Yun YANG, declare that this thesis titled, "Beijing PM2.5 Data Analysis" and the work presented in it are my own. I confirm that:

- This work was done wholly or mainly while in candidature for a research degree at this University.

- Where any part of this thesis has previously been submitted for a degree or any other qualification at this University or any other institution, this has been clearly stated.

- Where I have consulted the published work of others, this is always clearly attributed.

- Where I have quoted from the work of others, the source is always given. With the exception of such quotations, this thesis is entirely my own work.

- I have acknowledged all main sources of help.

- Where the thesis is based on work done by myself jointly with others, I have made clear exactly what was done by others and what I have contributed myself.

Frequently Asked Questions

A.1   How do I change the colors of links?

The color of links can be changed to your liking using:

    `\hypersetup{urlcolor=red}`, or

    `\hypersetup{citecolor=green}`, or

    `\hypersetup{allcolor=blue}`.

If you want to completely hide the links, you can use:

    `\hypersetup{allcolors=.}`, or even better:

    `\hypersetup{hidelinks}`.

If you want to have obvious links in the PDF but not the printed text, use:

    `\hypersetup{colorlinks=false}`.
